Your wedding packages on Lake Garda

In a nutshell, here is why **your couples** should choose our wedding packages:

- Save time, energy and focus only on your unforgettable day; we have already taken care of everything else.
- Save the cost of a wedding planner even if you live abroad and don't know where to start.
- Each of our wedding packages is modifiable to your liking; your costs are always under control you can add as many extras as you wish.
- We are on-site and have personally vetted the venues and vendors we work with. No bad surprises, we have a proven team, happy to be working together.

This, instead is why you as a **Tour operator** should choose us as your local DMC:

- Have a single point of contact, directly on site.
- Selected vendors coordinated by a local manager for excellent event success.
- Issues that arise managed locally.
- We specialize on this type of product: we only deal with wedding and event tourism.
- Our venues are predominantly restaurants, leaving room for you to make hotel reservations as extra revenue.
